Member Benefit: “Prioritizing Cyber-Security and HIPAA Compliance” Bootcamp

In today's digital age, addressing key cyber-security and compliance requirements is now more important than ever as compliance and security go hand-in-hand in protecting your practice.

Creating an effective cyber-security and compliance program gives you the tools that you need to document your processes and assess any areas of vulnerability that could lead to potential security incidents and violations.

Take advantage of this WOA member benefit where AOAExcel’s HIPAA compliance partner, Compliancy Group, outlines actionable tips you can use to make your practice more secure, all while addressing your federally mandated HIPAA requirements:
