

WISCONSIN OPTOMETRIC ASSOCIATION

Opportunity List

(10/15) – Optometrist Needed in Stevens Point, WI - Eye Clinic of Wisconsin is seeking a motivated and caring licensed optometrist to fill a vacancy in our well-established Stevens Point location. This is a unique opportunity to practice independently in an established optical and ophthalmology office as part of a leading multi-office ophthalmology group practice. The practice provides a combination of primary care, medical, and optical services. This position comes with a first year guarantee and benefits. The practice is supported with weekly ophthalmology clinics, full-time support staff, health and vision plan contracts, and marketing. Eye Clinic of Wisconsin has a 50+ year reputation as a premier ophthalmology group practice in central and northern Wisconsin. The Clinic has seven locations, 12 ophthalmologists, five optometrists, one audiologist, and over 150 staff. Please contact Courtney Costa at costac@eyeclinicwi.com or 715-261-8524.

(10/15) – Looking for Full-Time Associate Optometrist in Beloit/Brodhead, WI - We are seeking an optometrist for long-term employment in our two private practice offices in Beloit and Brodhead, WI. We want a motivated doctor with strong clinical skills and great patient rapport. Our modern, professional offices have multiple exam lanes including full service opticals, state of the art diagnostic technology, well trained support staff, and use of electronic records since 2012. Position will include care for vision and ocular health needs with a strong concentration in medical eye management, treating ocular eye disease, infections, injuries, and managing pre and post-operative care. Practice offers IRA, paid time off, and no weekend or holiday hours with a competitive base salary and generous incentive program as well as potential for career growth. If you feel you may be a good fit, please email your resume and materials to Dr. Douglas Kelley, dr_douglas_kelley@live.com.

(9/15) - Great Opportunity in Waukesha, WI - Over the past four years, the previous optometrist has done a great job growing the practice at the Target Optical in Waukesha. This practice location is producing a full-time income on part-time hours and is primed for growth, having the potential to be a "life bending, once in a lifetime opportunity" for the right patient-centered, team-orientated doctor of optometry that wants to work in a professional, courteous environment. If interested, please contact Tristen Weibel, tweibel@luxotticaretail.com, or 608-286-8154.

(9/15) - Your Experience and Expertise Needed in Waukesha, WI - Waukesha Family Eyecare is a group of affiliated optometrists that is committed to continuing the growth of the practice at the Waukesha Target Optical. Our goal is to look back in a few months knowing that we helped one of our colleagues (possibly a new grad) inherit a vibrant, thriving professional practice opportunity. If you can give even a single half day, we will shower you with great love! If interested, please contact Jeff LaMarre, O.D. at 414-731-9492 or jalamarre@gmail.com.

(9/15) - Dane County Optometric Practice for Sale - This optical practice has been offering great customer experiences since 1988, without the owner practicing as an optometrist. With an experienced staff member and outside 1099 doctors, the owner is able to leave the business for months at a time without trouble which would allow for a buyer to focus on strategy. For a licensed doctor, there is additional income potential as a practitioner-owner estimated at \$115,000-\$135,000 per year based on historical financials. Asking price is \$150,000; real estate is separately available. For more information, please contact Sean Scannell of VR - Lakes Business Group, Inc. at (608) 921-7420 or Sean@vrbizlakes.com.
