122nd Convention and Annual Meeting

DOCTOR REGISTRATION MATERIALS

September 22-25, 2022

Kalahari Resort and Conference Center
Wisconsin Dells, WI

Who: Wisconsin Optometrists

What: 2022 WOA Convention and Annual Meeting

When: September 22-25, 2022

Where: Kalahari Resort and Conference Center, Wisconsin Dells, WI

Your WOA is pleased to announce the 2022 Convention and Annual Meeting at the Kalahari Resort and Conference Center in Wisconsin Dells, WI. The education will begin at 1:00 p.m. on Thursday, September 22nd and will run until 11:45 a.m. on Sunday, September 25th. The event will feature a bustling Exhibit Hall on Thursday afternoon and throughout the day Friday, with 40-50 companies attending! These companies will be in Wisconsin Dells to show their support for our profession as well as to provide attendees with the most up-to-date information regarding products and services to help your practice and your patients. They are very eager to attend the event and connect face-to-face.

The Wisconsin Paraoptometric Association (WPA) will also be holding their fall Convention in conjunction with the WOA Convention, with great education for optometric assistants available Friday and Saturday. We encourage all doctors to send their staff to attend CE at this quality event, as the knowledge gained by your staff can only help your practice and improve the care provided to patients. Registration for their event will be opening soon.

Speakers: Please see pages 3-5 for schedule, course titles, and descriptions:

- ◆ Marc Bloomenstein, O.D., Director of Optometric Services - Schwartz Laser Eye Center, Scottsdale, Arizona and President of MRB Eye Consultants.
- ◆ Andrew Morgenstern, O.D., Director and Methodologist of the American Optometric Association Clinical Resource Group and Contract Optometric Subject Matter Expert for the United States Department of Defense.
- ◆ Justin Schweitzer, O.D., Vance Thompson Vision, Sioux Falls, South Dakota.

CE Approval Information:

- ◆ 22 hours approved by the Wisconsin Optometry Examining Board. All hours are COPE approval pending.
 - 2 hours neuro optometry (NO) 3 hours glaucoma (GL)
 - 2 hours systemic disease (SD) 1 hour pharmacology (PH)
 - 2 hours peri-operative management of ophthalmic surgery (PO)
 - 12 hours treatment and management of ocular disease (TD)

Event Highlights:

- ◆ *Thursday Exhibit Hall Open House:* 5:15 p.m.—7:00 p.m.
- ◆ *Friday Membership Awards Luncheon:* 12:15 p.m.—1:30 p.m.
- ◆ *Friday Exhibit Hall Open House:* 5:45 p.m.—7:00 p.m.
- ◆ *Friday New Member/Student Orientation (open to all ODs in practice 10 years or less):* 6:00 p.m.—6:30 p.m.
- ◆ *Friday WOA Next Mixer:* 7:00 p.m.—8:00 p.m.
- ◆ *Saturday WOA Business Meeting:* 9:45 a.m.—11:30 a.m.
- ◆ *Saturday President's Luncheon:* 11:45 a.m.—1:15 p.m.

Registration Information:

Early Bird Registration Deadline: August 19, 2022! ◆ **Regular Registration Deadline: September 14, 2022**

Two ways to register:

- ⇒ Complete enclosed registration form and fax or mail to WOA.
- ⇒ Use the online registration portal: https://www.woa-eyes.org/event_registration?id=61

Two types of registration:

- ⇒ Full Registration, includes all education and meals (you must still check off each class and meal you plan to attend)
- ⇒ Partial Registration, allows you to choose courses and meals individually. If the individual courses you are taking cost more than the full registration, you should choose full registration and just check off the courses/meals you are attending.

Discount for WOA Members: There is a substantial discount for WOA members. If you are not currently a member of the WOA, but would like to join, please contact WOA Assistant Executive Vice President Ms. Joleen Breunig at the WOA office by calling 800-678-5357 or by sending an email to joleen@woa-eyes.org for more information.

Hotel Information:

There is a room block set aside at the Kalahari Resort with rates of \$110 for Wed/Thurs/Sun, \$115 for Fri and \$135 for Sat. The room block will be released on **Monday, August 22, 2022**, after which the group rates will not be honored. Reservations should be made using the online reservation system through this [LINK](#). **Please note there are a finite number of rooms available in the block. Once the block sells out no additional rooms at reduced rate will be available even if it sells out before 8/22/22. Book your room TODAY to take advantage of discounted rates.**

WED SEPT. 21**8:00 p.m. - 10:00 p.m.**Executive Committee Meeting
*Desert Rose Room***THURS SEPT. 22****8:00 a.m. - 1:00 p.m.**WOA Board of Directors Meeting
*Cypress Room***9:00 a.m. - 5:00 p.m.**Registration
*Registration Booth 3***1:00 p.m. - 2:45 p.m.*****"School of Hard Knocks: TBI and the NFL Concussion Crisis"***Andrew Morgenstern, O.D.
2 hour NO
COPE#: (Pending)
Kilimanjaro Rooms 1 & 8

Contact sports and Traumatic Brain Injury TBI is at epidemic levels. Optometrists and Comprehensive Eye Exams are a Primary entry point into the TBI Interprofessional Care System. The bumps, jolts or blows to the head is the primary cause of the potentially fatal disease Chronic Traumatic Encephalopathy CTE. As a result, The National Football League (NFL) has implemented an NFL Head, Neck and Spine Committees Concussion Diagnosis and Management protocol. Optometrists need to be aware of this not only for professional athlete TBI assessment, but also to be able to properly assess, manage, advise and refer their patients for best care practices. This course will discuss TBI, CTE and the NFL concussion protocol and how to implement recommendations into Primary Comprehensive Optometric Care.

2:45 p.m. - 3:30 p.m.**EXHIBIT HALL BREAK**
*Kilimanjaro Rooms 2 - 7***3:30 p.m. - 5:15 p.m.*****"Brace For Impact: Managing Ocular and Orbital Trauma"***Andrew Morgenstern, O.D.
1 hour TD
COPE#: (Pending)
Kilimanjaro Rooms 1 & 8

Welcome to a CRASH course on evaluating ocular and orbital injuries and how to properly manage them.

AND***"The International Keratoconus Academy Current Concepts in Crosslinking"***Andrew Morgenstern, O.D.
1 hour AS
COPE#: (Pending)
Kilimanjaro Rooms 1 & 8

This course will review the most current evidence on Keratoconus and other corneal ectatic diseases, the assessment, treatment, and management as well as indications for Corneal CrossLinking (CXL) and the specifics of the FDA approval.

5:15 p.m. - 7:00 p.m.**EXHIBIT HALL OPEN HOUSE Reception**
*Kilimanjaro Rooms 2 - 7***FRI SEPT. 23****7:00 a.m. - 5:00 p.m.**Registration
*Registration Booth 3***7:15 a.m. - 8:00 a.m.**Continental Breakfast for Doctors
*Kilimanjaro Rooms 1 & 8***8:00 a.m. - 9:45 a.m.*****"Top 15 Diagnoses You Should Never Miss"***Andrew Morgenstern, O.D.
2 hours SD
COPE#: (Pending)
Kilimanjaro Rooms 1 & 8

These are the Top Fifteen diagnoses that you DO NOT want to miss. Failure to do so could be catastrophic for the patient. Unfortunately, they may walk into your office disguised as something else or staring at you right in your face. Can you identify the Top 15?

9:45 a.m. - 10:30 a.m.**EXHIBIT HALL BREAK**
*Kilimanjaro Rooms 2 - 7***10:30 a.m. - 12:10 p.m.*****"Now What? Managing Surgical Postoperative Complications"***Justin Schweitzer, O.D.
2 hours PO
COPE: 74562-PO (Pending)
Kilimanjaro Rooms 1 & 8

Comanaging with ophthalmology is not only best for our patients but best for both optometrists and ophthalmologists. What happens when the surgery doesn't go perfect and the patient ends up in our chairs with a surgical postoperative complication at day one or week one? This course will focus on a variety of surgical postoperative complications that optometrists need to be prepared for. At the conclusion of this course, the attendee will have confidence in managing a variety of postoperative complications they may encounter in clinical practice.

FRI SEPT. 23 CONT.

12:15 p.m. - 1:30 p.m.

Membership Awards Luncheon
Tamboti, Aloeswood, Marula Rooms

1:30 p.m. - 3:20 p.m.

"Trends in Glaucoma: Current, New and What the Future Holds"

Justin Schweitzer, O.D.
 1 hour GL
 COPE: 77241-GL (Pending)
Kilimanjaro Rooms 1 & 8

Glaucoma is a disease with many pieces to the puzzle of diagnosis and treatment. Current trends include new glaucoma drug delivery devices, new visual field technology, minimally invasive glaucoma surgery, and new medication options. The future includes artificial intelligence and remote patient monitoring to decrease patient visits, but still allow careful monitoring for progression. Optometrists will continue to be front-line in the battle against glaucoma and many of these new technologies will assist in that battle.

AND

"Surgical Advances in Glaucoma Therapy"

Justin Schweitzer, O.D.
 1 hour GL
 COPE: 77571-GL (Pending)
Kilimanjaro Rooms 1 & 8

Optometrists encounter patients that have undergone glaucoma surgical procedures on a daily basis and that number will continue to increase. This course will challenge the attendee on which glaucoma surgical procedure to recommend to a patient and how to handle a postoperative complication. As the primary eye care providers for our patients, it is imperative that we understand these procedures, communicate effectively with our patients and ophthalmologists that we are up to the challenge of managing glaucoma surgical procedures.

3:20 p.m. - 4:00 p.m.

EXHIBIT HALL BREAK
Kilimanjaro Rooms 2 - 7

4:00 p.m. - 5:45 p.m.

"When Topical Just Isn't Enough - Oral Medications"

Justin Schweitzer, O.D.
 1 hour OP
 COPE#: (Pending)
Kilimanjaro Rooms 1 & 8

Many ocular pathologies can be treated with topical medications, but what happens when that topical agent just isn't enough? This course will cover a variety of ocular pathologies, that at times, need not only topical pharmaceutical agents to treat the condition, but also

oral pharmaceutical agents. Case reports will be incorporated and include glaucoma, herpes simplex keratitis, herpes zoster, and infectious diseases of the cornea bacterial and fungal.

AND

"Cases and Conundrums of the Anterior Segment: The Family Feud Edition"

Justin Schweitzer, O.D.
 1 hour TD
 COPE#: 79126-TD (Pending)
Kilimanjaro Rooms 1 & 8

This course focuses on a variety of unique anterior segment cases that may show up in your clinic. We will discuss how to identify, treat, and manage each case using a case-based format, along with audience participation.

5:45 p.m. - 7:00 p.m.

EXHIBIT HALL OPEN HOUSE
Final Session
Kilimanjaro Rooms 2 - 7

6:00 p.m. - 6:30 p.m.

New Member/Student Orientation
Aralia Room

7:00 p.m. - 8:00 p.m.

WOA Next New OD Mentorship Reception
Tamboti, Aloeswood, Marula Rooms

8:00 p.m. - 11:00 p.m.

WOA Band Night with Three Degree Shed
Tamboti, Aloeswood, Marula Rooms

SAT SEPT. 24

7:00 a.m. - 4:00 p.m.

Registration
Registration Booth 3

7:00 a.m. - 8:00 a.m.

Continental Breakfast
Kilimanjaro Rooms 1 & 8

8:00 a.m. - 9:45 a.m.

"Stuck In A Rut Corneal Ulcers"

Justin Schweitzer, O.D.
 1 hour AS
 COPE#: 79124-TD (Pending)
Kilimanjaro Rooms 1 & 8

This lecture will cover diagnosis and management of infectious keratitis, including bacterial, fungal, and acanthamoeba etiologies. All aspects of infectious keratitis management will be discussed, including risk factors, pertinent examination findings, culturing, and treatment. Clinical cases will provide tangible examples.

AND

SAT SEPT. 24 CONT.

"The Nuances of Normal Tension Glaucoma"

Justin Schweitzer, O.D.
1 hour GL
COPE#: 79127-GL (Pending)
Kilimanjaro Rooms 1 & 8

The most important risk factor for glaucoma is elevated intraocular pressure; however, the pressure theory cannot sufficiently explain how normal tension glaucoma causes vision loss. There are a variety of possible pathophysiological theories of normal tension glaucoma including both ocular and systemic contributions. This course will discuss all aspects of normal tension glaucoma including the pathophysiology, diagnosis, and treatment.

9:45 a.m. - 11:30 a.m.

WOA Business Meeting
All WOA Members
Kilimanjaro Rooms 1 & 8

11:45 a.m. - 1:15 p.m.

President's Luncheon
Kilimanjaro Rooms 2, 3, 6, 7

1:30 p.m. - 3:15 p.m.

"Anterior Segment Challenges"
Marc Bloomenstein, O.D.
2 hours TD
COPE#: 76754-TD (Pending)
Kilimanjaro Rooms 1 & 8

This course is designed to present of variety of anterior segment disorders that present in the optometric office. Treatment options of these disorders as well as new therapeutic options will be discussed.

3:15 p.m. - 3:30 p.m.

Break
Kilimanjaro Rooms 1 & 8

3:30 p.m. - 5:15 p.m.

"Tales From the Lane - Cases That Make You Say What?"
Marc Bloomenstein, O.D.
1 hour TD
COPE#: (Pending)
Kilimanjaro Rooms 1 & 8

This course uses examples of common, and not so common, diagnoses that ODs may encounter on a daily basis. Optometrists will be able to feel comfortable diagnosing and differentiating anterior segment anomalies they may encounter daily.

AND

"Hey Doc Can You Look At My Lid? What Is That?"

Marc Bloomenstein, O.D.
1 hour TD
COPE#: (Pending)
Kilimanjaro Rooms 1 & 8

This course will guide the OD through the appearance of malignant and benign skin lesions in and around the eye. Case examples will be used to illustrate the challenges of diagnosis and the importance of timely referrals.

SUN SEPT. 25

7:30 a.m. - 11:00 a.m.

Registration
Registration Booth 3

7:30 a.m. - 8:00 a.m.

Continental Breakfast
Kilimanjaro Rooms 1 & 8

8:00 a.m. - 9:45 a.m.

"Ocular Jeopardy"
Marc Bloomenstein, O.D.
2 hours TD
COPE#: (Pending)
Kilimanjaro Rooms 1 & 8

This Jeopardy course will use the famous game show template to create a fun and interactive way of learning. The answers will be based on new technology, clinical pearls and mind stumping cases. This course will question your knowledge and give you more in return.

9:45 a.m. - 10:00 a.m.

Break
Kilimanjaro Rooms 1 & 8

10:00 a.m. - 11:45 a.m.

"Corneal Dystrophies and Degenerations - An ODs Guide"
Marc Bloomenstein, O.D.
2 hours TD
COPE#: 76751-TD (Pending)
Kilimanjaro Rooms 1 & 8

This lecture is dedicated to the cornea - that transparent, thin piece of tissue that can make things so clear and at the same time so distorted. Physicians will see and hear about conditions that are both congenital and acquired. The lecture concludes with an all important recap of the lecture material, via a multiple choice quiz.

SPEAKERS

Marc Bloomenstein, OD

Dr. Marc Bloomenstein is a 1990 graduate of the University of California at Los Angeles with a degree in Biology. He received his optometric degree from the New England College of Optometry in 1994. After graduation, Dr. Bloomenstein finished a residency in secondary ophthalmic care at the Barnet Dulaney Eye Center in Phoenix, Arizona. He received his fellowship from the American Academy of Optometry in December 1998.

Currently, Dr. Bloomenstein is the Director of Optometric Services at the Schwartz Laser Eye Center in Scottsdale, Arizona and President of MRB Eye Consultants. Dr. Bloomenstein is on the editorial board of Primary Care of Optometry News, Review of Optometry, Optometry Times, Modern Optometry, Optometric Management and a frequent contributor to other various optometric journals. Dr. Bloomenstein served as the Chairman of the AOA Continuing Education Committee and served on the board of the Ocular Surface Society of Optometry (OSSO), as well as a founding member of the Optometric Cornea, Cataract, and Refractive Society (OCCRS). Dr. Bloomenstein has served as President of the Arizona Optometric Association, Legislation Chair and President of the Board of the Arizona Optometric Charitable Foundation. Dr. Bloomenstein has delivered over 1500 invited lectures worldwide and serves as a consultant to numerous industry-leading pharmaceutical, biomedical and information technology companies.

Andrew Morgenstern, OD, FFAO, FNAP

Andrew Morgenstern, OD FFAO FNAP is the Director and Methodologist of the American Optometric Association (AOA) Clinical Resources Group that develops the AOA Evidence Based Clinical Practice Guidelines. Additionally, he is a contract Optometric Subject Matter Expert for the United States Department of Defense (DoD)/ Defense Health Agency (DHA) Research and Development (J9) Directorate-Vision Center of Excellence (VCE) located at Walter Reed National Military Medical Center. Dr. Morgenstern is a credentialed clinician at the Walter Reed National Military Medical Center Department of Surgery/Ophthalmology, Medical Evaluation Treatment Team and Optometry services.

Dr. Morgenstern is the Co-Founder and President of the International Keratoconus Academy of Eye Care Professionals (IKA), Past President of the Optometric Cornea, Cataract and Refractive Society (OCCRS), Past President of the Maryland Optometric Association, and Chief Medical Editor Emeritus of Advanced Ocular Care and Collaborative Eye. He is currently adjunct clinical faculty at the Uniformed Services University (US Military Medical School) and the Nova Southeastern University College of Optometry. Dr. Morgenstern has served as the Co-Chair of the *Ophthalmologic Disease Management Clinical Sub-Committee for the Centers for Medicare and Medicaid Services (CMS) Medicare Access and CHIP Reauthorization Act (MACRA) Episode-Based Resource Use Measures* and has been an invited lecturer at the United States National Academy of Sciences

Engineering and Medicine (NASEM).

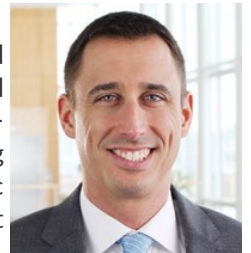

He is a graduate of Boston University (B.S.), Nova Southeastern University College of Optometry (O.D., Clinical Honors) and completed his training at the Bascom Palmer Eye Institute (BPEI) at the University of Miami School of Medicine, Department of Ophthalmology. He is board certified by the American Board of Optometry, a Fellow of the American Academy of Optometry and a Distinguished Practitioner of the National Academies of Practice. Dr. Morgenstern has special clinical interest in corneal refractive surgery and refractive solutions; artificial intelligence and machine learning in telemedicine; corneal ectatic disease and treatment; acute eye injury and visual dysfunction associated with traumatic brain injury and diabetic eye disease.

Awards and Honors:

2012 Distinguished Alumni Award Recipient Boston University
 2012 Dean's Advisory Board Appointment Boston University
 2015 Distinguished Alumni Award recipient Nova Southeastern University College of Optometry
 2015 Maryland Optometric Association (MOA) Optometrist of the Year
 2015 American Optometric Association (AOA) Presidential Award
 2019 Distinguished Practitioner and Fellow of the National Academies of Practice (NAP)
 2019 Armed Forces Optometric Society (AFOS) Orion Award Recipient

Justin Schweitzer, OD

Dr. Justin Schweitzer specializes in advanced glaucoma, refractive surgical clinical care, and anterior segment pathology at Vance Thompson Vision. He received his professional training and Doctor of Optometry degree from Pacific University College of Optometry in Forest Grove, Oregon.

In 2012, he pursued his dream to focus on glaucoma, advanced anterior segment surgery care and pathology, joining Vance Thompson Vision in Sioux Falls, South Dakota. He earned Fellowship in the American Academy of Optometry in 2013, is the Optometric Externship Director at Vance Thompson Vision, Associate Optometric Residency Director, and Adjunct Clinical Professor of the Illinois College of Optometry and Kentucky College of Optometry.

Dr. Schweitzer regularly lectures on glaucoma, anterior segment pathology, refractive surgical clinical care, and surgical management at state, regional, and national meetings. He is currently the Chief Medical Editor for Modern Optometry and has contributed book chapters, journal articles, and case studies in peer reviewed and non-peer reviewed journals including Review of Optometry, Optometry Times, Primary Care Optometry News, Optometric Management, The Journal of Cataract and Refractive Surgery, Clinical Ophthalmology, and The Journal of Glaucoma. He has research interests in minimally invasive glaucoma surgery and biomechanical properties of the cornea as it relates to glaucoma. Dr. Schweitzer is an advocate of an integrated eye care delivery model and is currently serving as President for the South Dakota Optometric Society.

- November 10-13 Advanced Procedure Course
Ingleside Hotel, Pewaukee

2023

- April 13-14 Spring Seminar
Kalahari Resort
- Sept 27-Oct 1 Convention
Marriott Madison West

WOA REGISTRATION INFORMATION

Things You Need To Know About Registering for WOA Convention:

- ◆ The deadline for early bird registration is August 19, 2022. The deadline for regular registration is September 14, 2022. No registrations are allowed after September 14 or on-site.
- ◆ All courses will be filled on a first-come, first-served basis.
- ◆ The registration form is printed on both sides; one side is “Full Registration,” and the other is “Partial Registration.” Please complete only one side of the form!
- ◆ There are two choices for registration:
 1. **Full Registration:** One fee, including your choice of meals and all education classes you would like to take. Please still select all courses and meals you will be attending.
 2. **Partial Registration:** You choose which classes and meals you want to attend, and each is priced separately.
- ◆ If you plan to attend all or most of Convention, Full Registration is the way to go. If you can only attend a day or two, your best option may be Partial Registration. If you do Partial Registration and the total is more than Full Registration, you may pay the Full Registration amount, even if you're not planning on taking all the courses - just make sure to select which courses and meals you plan on attending.
- ◆ Incomplete forms will delay processing. Please make sure you have provided all necessary information, and type or print clearly on the form. Even if you opt for full registration, you are still required to check off the meals and classes you plan on attending.
- ◆ Payment must be included with your registration form.
- ◆ If you choose “Full Registration,” you must check which courses and meals you plan on attending. You will only receive tickets for classes and meals that are marked.
- ◆ Confirmation notices will be sent to all doctors who have registered, listing which classes and meals you have selected. This information will be sent via email to registrants.
- ◆ All classes, meals, and other functions require either a ticket or name badge for admittance.
- ◆ No registrations will be allowed on-site.

Refunds

- ◆ Doctors that sign-up by the registration deadline of September 14 and later discover they are unable to attend may obtain a full refund (less a \$30 administrative fee and the cost of lunches ordered), if their written notice of cancellation is received in the WOA office by September 16, 2022
- ◆ No refunds will be provided for cancellations received after September 16, 2022.
- ◆ All refund checks will be mailed after the Convention.
